

Label the SPHERES Satellite

Can You Name All of the Parts?

Below is a list of all the parts on the outside of the SPHERES satellite. See if you can match each part with one of the labels on the diagram of the satellite below. It might be tricky, so you can check your answers with the solutions when you're finished.

- Pressure Gauge
- Switch Panel
- Ultrasound Sensor
- Onboard Beacon
- Pressure Regulator Knob
- Battery Door
- Thruster
- Expansion Port
- Carbon dioxide Propellant Tank

Label the SPHERES Satellite
