How do I make an account Specific to Zero Robotics without access to more Google account functions?

- Required for students under 13
 - Optional for all students

To make an account specific to Zero Robotics without access to more Google account functions?

1. Email zerorobotics@mit.edu with the first name and last name of the student
2. The ZR team will set up that student with a “sandbox” account and reply to you with the following details:
 - username: firstname@zerorobotics.mit.edu
 - password: zerorobotics

Email	Is lead?	
FirstName@zerorobotics.mit.edu	<input type="checkbox"/> Is lead?	<button>Remove</button>

Log In on the Zero Robotics Website

12. Go to the Zero Robotics website:

www.zerorobotics.mit.edu

13. Click "Sign in with Google"

14. Log into your account with the email and password for your Google Account

A screenshot of the Google sign-in page. At the top is the Google logo. Below it, the text "Sign in with your Google Account" is displayed. In the center is a large, light gray circle containing a white silhouette of a person's head and shoulders. Below this is a form with two input fields: "Email" and "Password". A blue "Sign in" button is positioned below the fields. At the bottom left, there is a checkbox labeled "Stay signed in". At the bottom right, there is a link that says "Need help?".

15. The first time you log in you will see a message from the Zero Robotics IDE. Select “Accept”.
14. Once you are logged in you will be able to create new projects.
